

# Fred-fest Fairy Bread

Fred's fairy penguin friend makes fabulous fairy bread for the fun-filled Fred-Fest. How about fashioning your own festive fairy bread?

## Ingredients

- 🍃 sliced white bread
- 🍃 butter or margarine
- 🍃 coloured sprinkles

## Method

- 🍃 Spread a thick layer of butter or margarine on each slice of bread (make sure you go right to the edges!).
- 🍃 Cover the butter or margarine in coloured sprinkles.
- 🍃 Cut into triangles and serve.

## Other ideas

- 🍃 For an extra special treat, make Mud Fairies by using a chocolate or hazelnut spread instead of butter or margarine.
- 🍃 Instead of cutting into triangles, use cookie cutters to make fairy bread of different shapes. Maybe you can even find a Fairy Penguin shaped cookie cutter!
- 🍃 Choose sprinkles that are the same colour for a theme. For example, use green sprinkles to make Alien Bread, purple for Monster Bread and blue for Wizard Bread.
